

# Aude Solar Photovoltaic Power Generation

## INTEGRATED DESIGN

EASY TO TRANSPORT AND INSTALL,  
FLEXIBLE DEPLOYMENT

## Overview

---

European renewables developer Q Energy and Spanish independent power producer Velto Renewables have inaugurated a 9-MWp solar park in the municipality of La Tourette-Cabardès, Aude, in southern France, following more than a decade of development. The La Gineste solar farm . Global Solar Power Tracker, a Global Energy Monitor project. Aude solar farm is a solar farm in pre-construction in Val-de-Dagne, Aude, Occitania, France. Read more about Solar capacity ratings. According to GlobalData, who tracks and profiles over 170,000 power plants worldwide, the project is currently active. It has been developed in a single phase. Developed and constructed by Q ENERGY, in close collaboration with the local municipality and stakeholders. A groundbreaking ceremony was held to officially launch the La Gineste solar farm in the French town of La Tourette-Cabardès, Aude.
