

Austria imported solar glass manufacturers

2MW / 5MWh
Customizable

Overview

There are no dominant Austrian-owned primary solar glass manufacturers. Instead, competition centers on processing technology, supply chain relationships, and application engineering. Veit an der Glan (Klagenfurt) the production plant has been established in 2007 and is part of GreenOneTec since beginning of 2022, and was part of ILVA Glass until. BLECHA supplies high-quality standard and special profiles, fencing systems, and fittings made of aluminum directly from stock. The company is a point of contact for cold or hot rolled products, sheets and strips, profiles and pipes, as well as forged products. Glas Gasperlmaier is a specialized manufacturer of high-quality glass products, offering a wide range of solutions including tempered and laminated safety glass, insulating glass, and specialty glasses. This report provides a comprehensive 2026 analysis of the market, projecting its trajectory. Market Forecast By Type (Tempered Solar Glass, Low Iron Solar Glass, BIPV Solar Glass, Coated Solar Glass), By Coating Technology (Anti Reflective, Self Cleaning, Thermal Insulated, UV Blocking), By Transparency (Transparent, Semi Transparent, Opaque, Variable), By Application (Facades, Windows).

Austria imported solar glass manufacturers

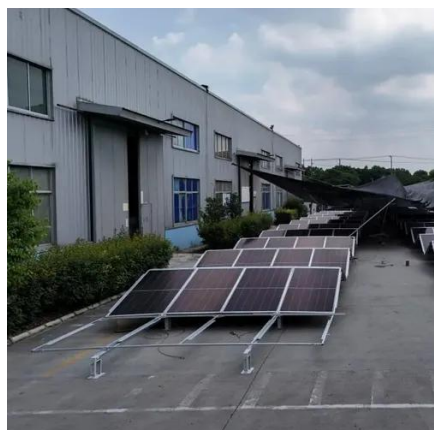

Solar industry , Grenzebach

Solar power is already playing a significant role in many countries, thereby booming all around the world. Grenzebach is contributing a wide range of technology to harness the powerful natural force of the ...

Glass made for the sun

AGC offers extra clear float glass products for a broad range of solar applications. Your single source: High-efficient float glass production, glass coating, glass processing as well as high-capacity ...

List of Glass manufacturers in Austria in 2026
