

Burkina Faso solar energy storage battery company

Overview

The government of Burkina Faso has formalized a public-private partnership with Netherlands-based developer Gutami Holding for a 150 MW solar project with 50 MWh of accompanying battery energy storage. A 25-year power purchase agreement is also in place between Gutami and Burkina Faso. Burkina Faso is embracing energy storage batteries to address its growing energy demands and renewable energy integration challenges. This article explores how advanced battery solutions are transforming the country's power sector, supporting solar projects, and enabling reliable electricity access.
