

Caochuangnong Solar Panel

Overview

We are a high-tech enterprise engaged in the manufacture and sale of crystalline silicon solar cells, including 5 mono-crystalline and poly-crystalline solar cells. Founded in 2007, our company is located in minhang export processing zone, fengxian district, Shanghai. CSUN is a global leading R&D and manufacturer of high- performance PV materials and solar panels. On this page, you can find a complete list of solar panels from CSUN - China Sunergy and compare models side-by-side. China Sunergy is well known. Shanghai JINSUN New Energy Technology Co. We specialize in wind power generation systems, photovoltaic power generation systems, wind-solar hybrid power generation systems, battery energy storage. Note: Solar Choice is not a solar installer and has no financial or other incentives to promote any product brand over another. CSUN, also known as China Sunergy Co Ltd, was founded in 2006 in Nanjing, Jiangsu, China.
