

Container generator installation in South America

Overview

At MODS, we design and fabricate high-performance generator and power units built from shipping containers. High Efficiency and Fuel-Saving Design CYEC Diesel Generator Sets deliver efficient power with optimized fuel consumption, reducing. At the beginning of the Tier 4 transition, our engineering team had the opportunity to work with different customers in different markets to design and develop a line of high-power Tier 4 Final containerized generators. Years of use in the rental, oil and gas, mining and other heavy-duty industries. Jenbacher offers containerized generator sets based on our Type 2, 3, 4, and 6 gas engines. All the CONTAINERS can be silenced up to 50 dB (A) @ 7m. On request, it is also possible to provide the RINA certification.

Container generator installation in South America

Container Generator Units

We design and build container generator units, shipping container power units, and modular generator housing that meet the highest standards of safety and performance.

[Comprehensive Guide to Containerized Diesel Generator Sets: From](#)

Comprehensive Guide to Containerized Diesel Generator Sets: In-depth coverage of definitions, advantages, types (emergency and marine/offshore), core design components, plus ...

[Containerized Genset: The Smart Power Solution for Industrial and](#)

Sollant offers a full range of containerized diesel and gas gensets, built to international standards with robust engineering. Their products are exported to Africa, Southeast Asia, the Middle East, and ...

Containerized Generators

Our line of containerized generators is easily configurable to the needs of any application, from rental to disaster relief to mining -- with a whole host of value-added standard features, options and ...

Containerized Type Generator

The container is with CSC certification, in line with international container security convention, ensures shipping directly as a standard container, and greatly saves the cost of transportation.

Container

ELCOS offers the possibility of installing power generators inside CONTAINERS Iso Range 20/20HC' - 30/30HC' - 40/40 HC' according to the customer's requirements. All the CONTAINERS can be ...

[High-Efficiency 1000kw Sme Container Generator for South America](#)

Our Diesel Generator Sets offer both prime and standby power solutions for factories, ensuring continuous operation even during grid failures or when additional power is needed.
