

Corrosion-resistant mobile outdoor cabinet for construction sites

Overview

Choose enclosures made from corrosion-resistant materials like stainless steel, polycarbonate, or marine-grade aluminum to ensure durability in harsh environments. The WeatherStrong® Cabinet System isn't just a product—it's a complete approach to outdoor cabinetry. From materials and construction to rustproof hardware and easy installation, every detail is designed to resist the elements and deliver lasting beauty in any climate. Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies. Featuring corrosion-resistant materials, advanced thermal management, and customizable designs, these NEMA-rated enclosures are perfect for energy storage, telecommunications, and industrial applications.
