

# Energy storage battery sales in Peru

## Overview

---

Peru Renewable Energy Storage & Batteries Market at USD 1.2 Bn, led by Lithium-ion tech and residential use, with growth from government laws and EV expansion. This article presents a list of the top 10 battery manufacturers in Peru, including local companies such as Fábrica Nacional de Acumuladores ETNA S., and global players such as CATL, Tesla, Panasonic, and others. Each manufacturer stands out for its product specialization and contribution to the market. Peru's energy storage import market continues to thrive, with key shipments originating from top exporters such as China, Switzerland, USA, Sweden, and Germany in 2024. The high Herfindahl-Hirschman Index (HHI) indicates a concentrated market landscape. This article explores bidding dynamics, market trends, and actionable strategies for stakeholders participating in Peru's storage.

## Energy storage battery sales in Peru
