

Energy storage power box kit manufacturer

- ✓ IP65/IP55 OUTDOOR CABINET
- ✓ IP54/55
- ✓ OUTDOOR ENERGY STORAGE CABINET
- ✓ OUTDOOR BATTERY CABINET

Overview

Our LiFePO₄ battery boxes, stocked in the USA, are engineered for safe and efficient energy storage solutions. Ideal for solar, RV, or marine applications, these DIY kits feature robust enclosures and compatible BMS options. The BOSSBox is an all-in-one energy storage enclosure, crafted from durable epoxy-coated steel, designed to simplify even the most challenging installations. Perfect for setups where traditional wall-mounting is labor-intensive—such as brick facades or homes where drilling into walls isn't an. Depending on application scenario, Jinko Power provides all types of customers with tailored energy storage system solutions, including power energy storage system integration solutions, industrial and commercial energy storage system integration solutions, and household energy storage systems. We have extensive manufacturing experience covering services such as battery enclosures, grid energy storage systems, server cabinets and other sheet metal enclosure OEM services.
