

# GoodWe 80kW solar inverter parameters

## Overview

---

Maximised energy output Smart and efficient operation Flexible configurations  
Highest safety standards Max. 21A DC input current per string Up to 150% DC  
input oversizing Optional AFCI 3.0 and PID functions SMT SeriesString Inverter I  
80kW I 6 MPPTs I Three phase AFCI 150. And the negative pole of the PV string  
connects to the PV- of the inverter. When. Manuals and User Guides for Goodwe  
GW80KBF-MT Solar Inverter. The technical personnel has. GoodWe's MT series  
three phase, 4-MPPT, 80kW Solar Inverter is ideal for medium to large-sized  
distribution projects, especially for large-scale commercial roofs and farm plants.  
The range boasts advanced topology and innovative control technology to achieve  
a maximum efficiency of 99. All rights reserved No part of this manual can be  
reproduced or transmitted to the public platform in any form or by any means  
without the prior written.

## GoodWe 80kW solar inverter parameters

[Goodwe 80KW , PDF , Power Inverter , Alternating Current](#)

1: Goodwe inverter has integrated a Level II SPD on both DC and AC sides, therefore rendering unnecessary installation of a second SPD. 2: GoodWe inverter has no-neutral line type, delta type ...

### SMT Series

The SMT Series string inverters, available in 50kW to 80kW capacities, are designed to meet the demands of commercial and industrial (C& I) applications by delivering high energy yields and ...

[GOODWE SMT SERIES USER MANUAL Pdf Download , ManualsLib](#)

Page 32 Set inverter parameters, check running information and fault information, and observe system status in time via the smartphone or web pages. NOTICE Refer to the delivered smart dongle user ...

### User Manual

Read through this manual before installing and operating the product. All the installers and users have to be familiar with the product features, functions, and safety precautions. This manual is subject to ...

## User Manuals: Goodwe GW80KBF-MT Solar Inverter

View online or download Goodwe GW80KBF-MT Solar Inverter User Manual.

## MT Series

With its compact design and power boost function, the Goodwe MT series of the new generation can provide a 150% continuous maximum AC output power overload, offering a faster return on ...

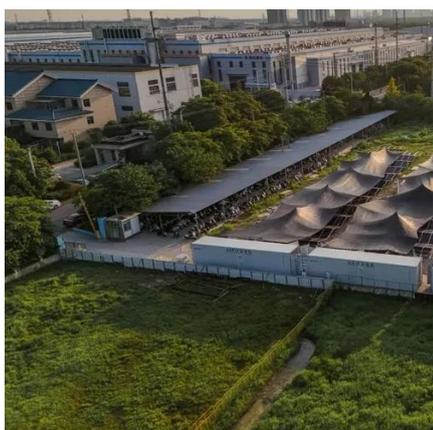

## User Manual

To maximize the power generation of the inverter, please ensure that the Vmp of the PV modules connected in series is within the MPPT Voltage Range at Nominal Power of the inverter, as shown in ...

## GoodWe GW80KBF-MT Solar Inverter

GoodWe's MT series three phase, 4-MPPT, 80kW Solar Inverter is ideal for medium to large-sized distribution projects, especially for large-scale commercial roofs and farm plants.

### High and reliable energy yield for commercial PV rooftops

It is specifically designed to accommodate high-power PV modules, featuring multiple MPPTs and a high input current of 21A per DC string, resulting in improved overall yield. Safety remains our top priority ...

### **GoodWe AU: Solar Solution Expert**

GoodWe is a leading residential and commercial solar inverter manufacturer based in China and one of the major solar inverter suppliers in Australia and NZ.
