

How much can the Arktech locker hold

Overview

It can hold up to 1800 stacks of a single item, greatly reducing the space required for storage. The storage unit also has a unique feature that allows players to deposit items directly into it from their inventory, making it an efficient and convenient tool for managing resources. The Tek Dedicated Storage is a structure in the Tek Tier-building set, released as part of ARK: Homestead major patch. No recruiting or LFG/LFS outside the weekly thread. You'll no longer see an inventory inside the dedicated storage box when. Holds a large amount of a single resource.
