

How much is the price of Hengxin photovoltaic bracket

Overview

The current market shows Hengyuan's basic concrete counterweights starting around ¥50/unit, but that's just the tip of the iceberg. Complete photovoltaic bracket systems can range from ¥288 for residential setups to ¥2,800+ for commercial-grade solution. Our Photovoltaic Bracket offers exceptional quality within the Solar Brackets category. Solar brackets are often manufactured using materials such as stainless steel, aluminum, or galvanized steel. FASTscrew can produce the right parts to simplify your process. To source reliable suppliers of solar brackets in China, prior to finalizing a partnership, conduct thorough assessments of suppliers' credentials, request product samples where possible, and establish open. While galvanized steel brackets dominate budget projects (¥36-¥60/m²), aluminum alloys are stealing the show in residential installations. A typical adjustable aluminum system like Xiangheng's 41" triangular frame now costs ¥123. 58 after platform discounts - that's 15% lighter than last-gen models.
