

# Indonesian energy company uses earthquake-resistant smart pv-ess integrated cabinets

## Overview

---

PT Sembcorp Renewables Indonesia, a wholly owned subsidiary of Singapore-headquartered engineering firm Sembcorp, and state-owned PT PLN Nusantara Renewables have launched a utility-scale solar-plus-storage project in Indonesia. The Nusantara Sembcorp Solar Energi (NSSE) power plant comprises 50MW. The Indonesian government plans to achieve 23% renewable energy supply by 2025 and a higher proportion by 2050. Giant Leads Innovation, Injecting. Among the event's standout exhibitors, EVE Energy captivated audiences with its comprehensive suite of energy storage solutions, aligning with Indonesia's ambitious renewable energy targets. The new technology is capable of withstanding tremors up to magnitude 8.8, the design marks a major step forward in the.
