

Malta communication base station distribution cabinet manufacturer

Overview

Excel Networking is a global leader in structured cabling and network infrastructure. Their product range includes copper cabling systems, fibre solutions, racks, cabinets, power systems, and accessories, all engineered with quality, compliance, and sustainability in mind. As the capacity of the company grew, so did the. Power Distribution Units (PDUs) efficiently manage power supply while cable management solutions, like trays or organisers, maintain a neat cable arrangement. For security, firewalls and intrusion detection/prevention systems, may also be housed within the cabinet.
