

# Manufacturer of waterproof photovoltaic cabinets for ports

## Overview

---

We are experts in manufacturing high-performance outdoor cabinets, waterproof enclosures, and dedicated energy storage cabinets designed to withstand harsh environments and safeguard critical solar infrastructure. KDM is your professional solar battery enclosure manufacturer in China. It is built specifically for outdoor installation and integrates advanced LiFePO<sub>4</sub> battery. Most industrial off-grid solar power systems, such as those used in the oil & gas patch and in traffic control systems, use a battery or multiple batteries that need a place to live, sheltered from the elements and kept dry and secure. With IP54/IP55 protection, anti-corrosion design, and intelligent temperature control, they are ideal for telecom base stations, remote power supply, and containerized microgrids. Our outdoor cabinets. AZE's Outdoor Battery Cabinet with Air Conditioner (with sandwich panel double-wall structure design) is designed to house a variety of batteries, they provide protection from vandalism, dust, rain, snow and dripping water in wireless communication base station including the new generation of 4G. Our foundation is high-performance waterproof electrical enclosures. Designed to withstand water, dust, and corrosion, they provide dependable protection for applications ranging from indoor cabinets to outdoor infrastructure. Building on this expertise, we create user-friendly smart home.
