

Nader circuit breaker factory in Latvia

Overview

Nader's production base is located in Pudong New Area, Shanghai, China, who is the largest miniature circuit breakers manufacturer and supplier at high-end market in China. Nader is a R&D oriented company and driving by customer demands, carries out. Nader was a leading electrical brand in China with January 7th, 1999, Shanghai, China. Who take the high-end low-voltage electrical system solutions experts as the brand positioning, take solving the pressure and challenges of customers as the responsibility, and create value for customers. It was. Nader's top-quality DC circuit breakers are engineered to ensure safety, durability, and efficiency in solar energy systems. Explore our comprehensive range of DC circuit breakers to find the. Nader NDB6AZ-63H series MCB is mainly used in telecommunication machine room or communication cabinet with DC rated working voltage of 80V and below and rated working current of 4A to 63A (only for industrial use), as isolation, short circuit and overload protection of cabinet, machine room or. Nader Shanghai production base is 39000 ㎡ and Haiyan production base is 240000 ㎡. As complete modern workshops, including power distribution, terminal, industrial control, electronics, preproduction, key technology, etc. Over years, we have introduced more than 20 advanced automatic assembly and.

Nader circuit breaker factory in Latvia

Automatic production line of circuit breakers in Nader factory

#Nader currently have a total of 48 automatic production lines, which can automate the production of miniature circuit breakers, moulded case circuit breakers, frame circuit breakers, contactors, ...

The Largest Miniature Circuit Breakers Manufacturer in China , Nader

Nader's production base is located in Pudong New Area, Shanghai, China, who is the largest miniature circuit breakers manufacturer and supplier at high-end market in China.

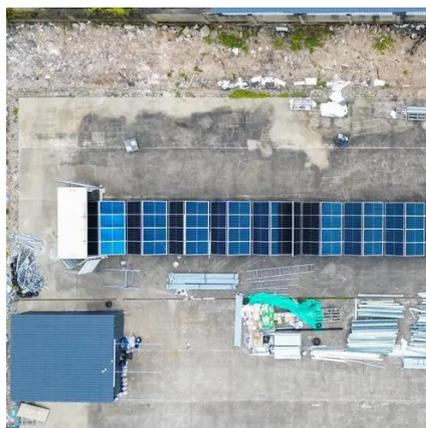

About Nader

Nader is a R& D oriented company and driving by customer demands, carries out continuous technology innovation based on customer value improvement, and provides customers with safe, reliable, ...

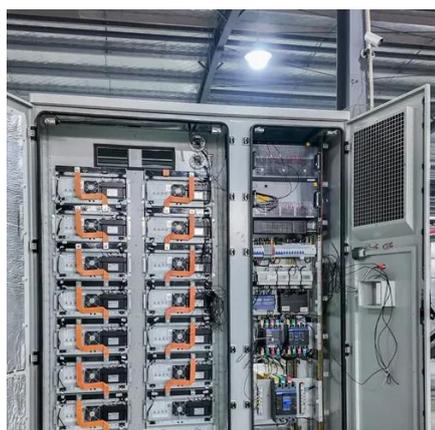

Home-Shanghai Liangxin Electrical Co., Ltd. (Nader)

Each fast-charging station is equipped with four 120-kilowatt DC chargers and eight charging piles and capable of simultaneously charging eight electric vehicles which can be fully charged within 30 ...
