

# New solar panel manufacturer in Thimphu

## Overview

---

It is located at Maedwang gewog, South Thimphu. The 120 Megawatt-peak Jamjee Solar Photovoltaic Project marks a major milestone in Bhutan's efforts to diversify its energy portfolio and advance its renewable energy goals. Prime Minister Tshering Tobgay graced the groundbreaking. The company specializes in the photovoltaic market, providing high-quality solar solutions and technical support throughout the design, supply, and production phases. With abundant sunlight and government incentives, Thimphu has become a hotspot for solar adoption. Recent data shows a 27%. As businesses, households, and industries seek reliable and efficient solar panels, the quest for professional manufacturers becomes paramount. New Energy Plus Solutions Co, a local distributor of solar panels, has partnered with Chinese solar panel maker LONGi Green Energy Technology in a bid to increase sales amid intensifying competition.
