

Off-grid solar containerized low-pressure type discount

Overview

Top name brand, high performance off grid and battery backup solar systems and wholesale discount pricing to both homeowners and contractors. Shop. Not just \$0 down solar loans but \$0 down solar loans on systems with much lower pricing than the leasing companies offer. And you get to keep the financial incentives. Since 1998 Off Grid Solar has offered top of the line, discount off grid solar power systems for your home. This is the product of combining collapsible solar panels with a reinforced shipping container to provide a mobile solar power system for off-grid or remote locations. Unlike standard solar panel containers, LZY's mobile unit features a retractable solar panel unit for quick installation. Born from years of solar expertise at Danger Electric.
