

Purchase professional solar panels

Overview

This comprehensive guide examines the best places to buy solar panels based on extensive testing of multiple purchasing channels, real-world shipping experiences, and analysis of pricing, quality, and customer service across different retailers. Local pickup saves significantly: Choosing retailers with local pickup options can save \$50-\$200 per order while eliminating the 20% shipping damage risk that affects freight deliveries of solar panels. Price ranges vary dramatically by source: Solar panel costs range from \$0.19/watt for wholesale. Generate clean, renewable electricity for your home, business, marine vessel, or RV using solar panels from EcoDirect! Located near San Diego, California, EcoDirect sells solar panels online and offers will-call options for local customers. For sizing help, please call us at (760) 597-0498 x2. Check each product page for other buying options. Made with chemicals safer for human health and the environment.
