

Senegal off-grid bess cabinet fast charging bid price

Overview

Identify and track all the latest tender & contract awards and bid results in battery energy storage system (BESS) projects. Our extensive database and user-friendly interface make it easy for you to find the right business opportunity in Senegal.

Cairo, Egypt and Abu Dhabi, UAE - 13 November 2023: Infinity Power, a joint venture between Egypt's Infinity and UAE's Masdar, announced today the signing of a 20-year Capacity Change Agreement with Senelec, Senegal's national electricity company to supply 40MW through a battery energy storage. Senegal's national electric utility, Senelec, has entered into a 20-year Capacity Change Agreement (CCA) with Infinity Power for the development of a substantial 40MW/160MWh Battery Energy Storage System (BESS). The four-hour BESS project, slated for construction at the Tobène substation in Thies. With Blackridge Research's Global Project Tracking (GPT) platform, you can identify the right opportunities and grow your pipeline while saving precious time and money doing it.
