

Shanghai exports solar container lithium battery packs

Shanghai exports solar container lithium battery packs

[Shanghai lithium battery exports surge, topping 40 billion yuan in ...](#)

Since 2025, lithium battery exports from Shanghai have witnessed explosive growth, surging by over 30% year-on-year, as shown by statistics from Shanghai Customs.

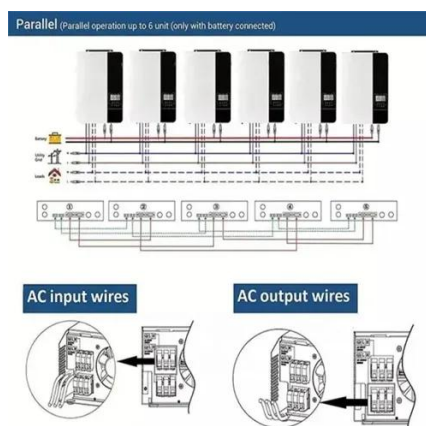

[China Focus: Tesla's Shanghai Megafactory makes debut battery ...](#)

It took the new Megafactory just over a month after its production launch to achieve its first export, with the batteries being transported from Shanghai Port to Australia.

[China's battery export curbs could reshape global supply dynamics](#)

China has announced new export control measures targeting a wide range of lithium battery technologies, materials, and manufacturing equipment. The controls cover three major categories:

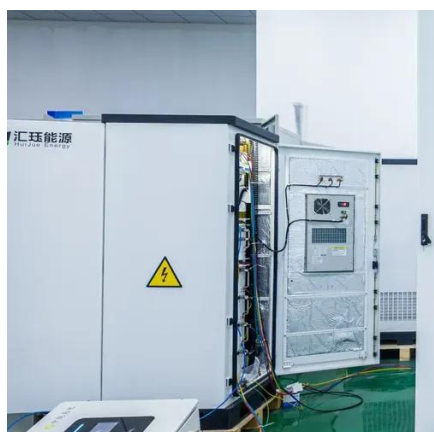

Lithium battery exports jump 12% in first 7 months

Lithium battery exports through Shanghai Port rose 12.1 percent year-on-year, reaching 86.09 billion yuan (\$12.07 billion) in the first seven months of 2025.

[Foreign-invested enterprises propel Shanghai's lithium battery exports](#)

Foreign-invested enterprises have played a pivotal role in propelling the surge of lithium-ion battery exports from Shanghai in the first quarter of this year, according to data from Shanghai Customs.

[Tesla's new Shanghai Megafactory starts exporting energy ...](#)

According to a statement sent to the Global Times, Tesla said that the batteries produced at the Shanghai facility will serve both the domestic and wider Asia-Pacific markets.

[Tesla China's Megafactory helps boost Shanghai's battery exports by ...](#)

As noted in a report from Sina Finance, the Tesla Shanghai Megafactory's output of Megapack batteries helped drive a notable rise in lithium battery shipments from the city in the first three quarters of 2025.

[The pace of global green energy transition](#)

accelerates, driving a

As the pace of global green energy transformation accelerates, strong international market demand has driven the continuous rise in Shanghai's lithium battery exports.

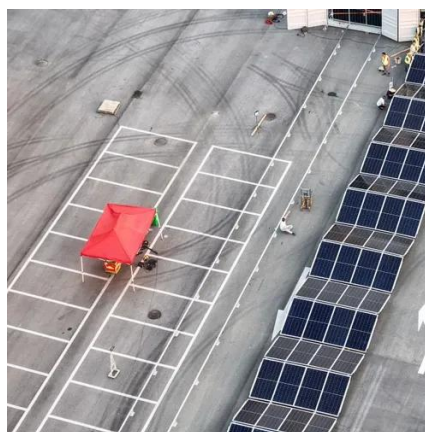

Tesla China's Megafactory helps boost Shanghai's battery exports by ...

Reports from China have indicated that the Tesla Shanghai Megafactory has become a notable player in China's booming battery export market.

Lithium battery solar container power supply export prospects

In cooperation with the start-up Africa GreenTec, TESVOLT is supplying lithium storage systems for 50 solar containers with a total capacity of 3 megawatt hours (MWh), enabling a reliable power supply
