## Overview

---

Find a huge range of UPS - Uninterruptible Power Supplies at Farnell Sweden. Do you work with critical processes which requires continuous power supply without interruptions?

When it simply has to work and full availability is required, we have the solution for you. Equipment must not be exposed to power outages. But it is not only the public. Our comprehensive power supply services ensure a continuous flow of energy for projects of any size, whether you're powering a small construction site, an industrial facility, or a large-scale event. With a generator fleet ranging from 2 kW to 500 kW, we can customize power solutions to meet your. Elfa Distrelec becomes RS - time to move over! We're in the middle of the transition to RS, where your account, pricing, and service will soon be available along with an even broader product range, more service solutions and a dedicated website in Swedish. It is a sensible insurance policy today, when computer systems can be exceedingly sensitive to disruptions, and even a half-second pause can cause breakdowns and damage.
