

Which portable power bank is easy to use and affordable

Overview

To find the best power bank out there, I tested more than 60 portable chargers and batteries from big brands like Anker, Belkin, UGreen and Mophie — as well as from smaller players such as Biolite, Nimble and Satechi. These portable chargers and power banks give you the most boost when you're out of juice. As a tech journalist with 20 years in mobile, software, and gadgets, Iyaz writes about hits, misses, and everything in between. Watching your phone or tablet steadily run out of power when you're nowhere near. Explore our curated selection of the best power banks, designed to keep your devices charged, from high-demand laptops to everyday smartphones. This page uses affiliate links, which may earn us commissions from purchases made at no cost to you. It comes with multiple ports for charging. Whether you own one of today's best iPhones or best Androids, you could use a power bank.
